Your invitation to exhibit

Women's Lifestyle Expo September 2019

Dear friends

It is with great pleasure that we extend this invitation to the 11th Annual Women's Lifestyle Expo, proudly presented at the Maroochy RSL, Maroochydore. Expo gets better and more exciting with each passing year and 2018 was no exception with our new management together with the fresh ideas it presented. Feedback also encouraged us to bring greater variety to our ever-popular workshops. The 2019 Expo will continue to showcase the very best of health and wellbeing, personal development, wellness and fitness, finance, beauty, fashion, and interactive forums.

The Expo is an event not to be missed. Our reputable event sees regular and new attendees added each year. Due to increasing popularity and interest in the Expo, we have now had to adopt a selection criteria in regard to accepting exhibitors. Along with a selection panel, we will be reviewing all expressions of interest from our website and you will be notified of your successful application via email. We hope that you will appreciate the need for this to ensure fairness for exhibitors and a diversification of products and services for the attendees. Our priority is to create a wonderful experience for both our exhibitors and the attendees.

This document contains useful details to ensure the success of your exhibit and ultimately the event.

Target Market

The Expo is an event for women of all ages (18 - 65+) by providing a range of products, services and topics for discussion, all in one central space.

Based on the success of the past ten years, we now have a strong foundation of attendees. Through the use of extensive social media, traditional media, including our popular expo magazine and direct marketing campaigns, we intend to encompass the entire Sunshine Coast region and beyond. This is truly a unique event aimed at drawing women together to celebrate womanhood, empower, learn, share and really experience what is cutting edge for today.

Why Exhibit?

All participating exhibitors will receive the following:

- access to an anticipated audience of thousands of visitors
- opportunities to conduct workshops and meet with prospective new clients with an interest in your organisation
- your opportunity to catch up with existing contacts and to make new ones across all sectors of your industry
- throughout all phases of the event, our team will be on hand to provide support at the Expo
- great networking event with fellow exhibitors
- tips for successful exhibiting will be provided in the lead up to the event through a specific exhibitors networking night
- marketing opportunities with our Women's Lifestyle Magazine with a distribution of 10,000 into retail/business outlets across the Sunshine Coast
- our inaugural Action Plan, providing you with 12 steps to maximise your expo success

Exhibit Site Size Options

For the first time this year, we are offering three exhibit site sizes. The most popular is our large 3 x 2 metre fully-walled site. All sites (except corner sites) have three walls, separating each exhibitor. The walls are approximately 180cms tall with black Velcro-type covering. To fasten decorations, please use Velcro fasteners, tape or pins (please no nails or thumb tacks). Tables will be available upon request.

The second size will be 2 x 2 metre sites in the foyer/lounge area, as soon as you come up the stairs. These sites will be popular as they will be the first thing attendees will see. There will be minimal walling to keep the layout open, which will be flooded with natural lighting streaming in from the floor to ceiling windows in that area.

There is no difference in price for the above two sizes.

Then there will also be simple 2 x 1 metre spaces, with no walls on the sides or back. There will be small trestle tables (approximately 120cms) available upon request. Please note that these sites are reserved for on-the-day beauty and massage services, such as finger and toe nail technicians, makeup artists, hairdressers, massage therapists, etc.

These smaller sites are strictly limited and they are less costly to reflect the reduced size. So, you will need to bring stand-alone flags and/or banners to show your business name. Please contact Alex directly for this option.

As for all exhibitors, you can be as creative as your imagination to decorate your site and make it visually appealing. Usually, the more attractive your stall, the more popular you are with the attendees.

Sponsorship Opportunities

Please note there are also sponsorship options available for businesses that wish to further their brand awareness and exposure at the Expo. Should you have any queries, please do not hesitate to contact Alexandra to request a Sponsorship Proposal. The Expo is a unique one-of-a-kind event that provides an excellent platform to showcase your products and services as well as be connected to your specific target market. We look forward to hearing from you if you wish to partner with us in a mutually beneficial relationship.
